

Starting Your Family Research with Storied

Create Your Account

Go to storied.com to set up a new account. If you click on PLANS & PRICING, you will see what's available on a free account vs. our affordable subscriptions. To sign up, all you need is your email address, first name & last name, and a create a password.

Start Your Family Tree

From the Storied homepage, click on + Start a Tree on the left. There are three ways to start a tree: + Start a Tree asks you to manually enter names and dates, Upload a GEDCOM is a file from another family history site, or Import from FamilySearch.

Write Your First Story

From the Storied homepage, click on My Stories on the left. From there, click on the blue Add Story button. Give your story a title, location, date, and then type or paste your story. Bonus - Add a photo to your story!

Explore the Collections

Want to search for your ancestors in historical records and newspapers? Storied has both! Find birth, marriage, and death records, census records, and much more! Discover the stories these records have to tell about your ancestors.

💰 To access these collections requires a subscription.

Create a Group

Groups are a private space dedicated to only the people you invite. Your group is a place to share, like, and comment on stories, plus add media! Create a group by clicking on + Create a Group on the left.

💰 To access these collections requires a subscription.
